Re: Notice of Oral *Ex Parte* Communication
Preserving the Open Internet, GN Docket No. 09-191
Broadband Industry Practices, WC Docket No. 07-52

Dear Ms. Dortch:

We submit this notice in compliance with Section 1.1206(b) of the Commission's rules.

On November 22, 2010, Joel Kelsey, political adviser for Free Press, and I met with John Giusti, Chief of Staff to Commissioner Michael J. Copps, and Margaret McCarthy, Policy Advisor for Broadband, Wireline and Universal Service.

We discussed the Commission's ongoing efforts to establish open Internet rules. Consistent with our prior filings, we emphasized that paid prioritization to transmit data through broadband Internet access services fundamentally harm the public interest, and that an effective rule will protect the use of both wireless and wireline connections.

Very truly yours,
